

**Don't miss out on the Montreal Canadiens fun  
this weekend  
By Gerry Leibel**

**Two days of events hosted by hockey greats from the Montreal Canadiens will provide fun and education for both young and old.**

With schools closed on Friday, February 15, the Montreal Canadiens will host hockey camps throughout the day for young people from Kitimat and Terrace that are interested in improving their hockey skills.

On Friday evening there's a fundraising dinner hosted by local RCMP and fire department hockey players, Guns 'n Hoses. The proceeds from the dinner, which is sponsored by LNG Canada, will go towards Kitimat's C.O.R.E.Y Society.

The RCMP's Cpl. Brad McKinnon selected C.O.R.E.Y as the beneficiary for its work on educating kids about the dangers of reckless driving. On Saturday at 6.30 p.m. the Guns 'n Hoses play hockey against the Montreal Canadiens Alumni in the Tamitik Arena. LNG Canada is also sponsoring this event with proceeds going to Kitimat Kidsport.
